## MAC Mainstreaming At Camp

YAI/NIPD's MAC Program in the Catskill Mountains offers a variety of camp sessions designed to fit the needs of campers and their families. Following a detailed intake, MAC will help you select the most appropriate session for your child based on his/her age, gender, abilities, past camp experience and social skills development.

MAC Campers are:

- Between the ages of 6-18
- Children with developmental or learning disabilities
- Fully ambulatory and able to use the bathroom independently

**To learn more and to find out if MAC is right for your child, please contact YAI/NIPD Camping and Travel Services at 212-273-6658.**

MAC is a fee-for-service program. For eligible campers, fees may be offset through scholarships and other funding opportunities.
