New York **Zero-to-Three** Network

Is currently accepting nominations for the
2009 Emily Fenichel Award
for Leadership in the Zero-to Three Field in New York

Remember leaders don't always make the news. Sometimes they lead by quiet example in a classroom. Sometimes they are a parent who makes a difference by volunteering. Sometimes they lead by mentoring other professionals. Because many zero-to-three leaders work quietly in their schools or organizations without much public acknowledgement, the Emily Fenichel Award is intended to provide an opportunity to their dedication to be recognized.

Please consider whether someone you know is deserving of such an award.
